

Are you passionate, but frustrated, about how to brand yourself and succeed in the real estate business?

Feeling flustered and overwhelmed with the whole social media thing!?!?

You are not alone! The real estate market has changed. Buyers and Sellers have changed. 85% of your potential clients use their mobile devices to find information. Yet you truly want to help your clients find the house of their Dreams and be successful in your business. Are you building your “Brand” as a savvy Social Media Marketer?

As an Affiliate Member of multiple Boards of Realtors, Tony Woodall developed his goal achievement seminars into a Continuing Education course to help his real estate partners set their business goals and change their limiting beliefs that were preventing them from helping their clients achieve their dreams of homeownership.

Like you, Tony is an entrepreneur and dreamed of success. And, perhaps like you, after a while, the negative internal thoughts started impacting his ability to achieve his goals. That was until he learned how to change his own limiting thoughts to success-oriented, goal-achieving beliefs that allowed him to set his action plan for success.

Programs for the real estate industry include:

Personal Branding for the Real Estate Professional

Personal branding should be your goal. The real estate industry requires you also to be a brand, not only your company. Set an action plan to create and market YOU as your Brand. You will:

- Leave with actionable steps to define who you are and where you want to be.
- Discover clarity of who your audience is and know where they are.
- Craft an action plan to make your Brand a successful business.
- Learn which social media platforms to use to build your brand, and how.
- Explore how to be “mobile-ready” to leverage your brand.
- Maximize your client’s visual needs with video.

Small Business Success for the Real Estate Professional

This inspiring message and entertaining lesson will teach you create a custom action plan that will work to overcome negative thoughts keeping you from succeeding in your real estate business and how to succeed.

- You will set a results-oriented Action Plan to be successful in achieving your goals.
- Transform your limiting beliefs to positive, success oriented beliefs and achieve your dreams.
- Walk away with clarity about your decision for your business.
- Learn the 4 places passion is necessary to have a life full of success.

An entrepreneurial spirit, Tony started over a dozen businesses since he was 12 years old. When he became a Hypnotherapist he learned how the mind works and how it can hold limiting beliefs we may not be aware of; until we try to set and achieve our goals. After learning how to change his limiting beliefs and achieving the goals he set, he knew he has a passion to share what he learned with you.
